HoM/HoP from Dean (FSI)

I am pleased to forward e-version of the first edition of FSI's Quarterly Newsletter *Videsh Sewa*. The inaugural Newsletter has a special message from Hon'ble EAM and covers activities of FSI in last one year.

Missions/Posts are requested to widely disseminate e-version of the Newsletter and upload on their websites/social media sites. The Newsletter is also being uploaded on FSI's alumni portal <https://fsialumni.gov.in/> May I also use this opportunity to request Missions/Posts to reach out to foreign diplomats, who have participated in FSI training courses, to register themselves on the alumni portal?

We welcome comments/views to further improve the Newsletter.

Best regards,

(J.S. Mukul)
