

**Summit on Global Chemicals & Petrochemicals**  
**Manufacturing Hubs In India**  
**11-12 November, 2019 at Grand Hyatt, Mumbai**

The Embassy of India in Norway would like to inform that the Departments of Chemicals & Petrochemicals, Ministry of chemicals & Fertilizers, Government of India in Association with FICCI is organizing a **Summit on Global Chemical & Petrochemicals Manufacturing hubs in India on November 11-12, 2019 at Mumbai.**

The objective of the Summit is to provide a platform to the Chemicals & Petrochemicals fraternity to highlight the challenges of the sector in the newly developing growth regions and understand how the Indian Petroleum, Chemicals and Petrochemicals Investment Regions (PCPIRs) can emerge and establish itself as World's next manufacturing hub. The Summit shall facilitate in identifying the impediments affecting growth of the sector in PCPIRs regions.

Aimed at achieving synergies of value-added manufacturing, research and development, PCPIRs intend to reap the benefits of co-sitting, networking and greater efficiency using common infrastructure and support services. The consequent establishment of high-class infrastructure is targeted at promoting a competitive environment conducive to setting up new business units and providing a boost to manufacturing, exports and employment generation in the targeted sectors.

The first Global Summit brings on-board ministries and departments, national and international corporates, central public sector enterprises, state governments and industry bodies to chart the road-map for India to become a global manufacturing hub of chemicals & petrochemicals.

The companies and organizations in the above sectors in Norway are invited to participate at the Summit on Global Chemical & Petrochemicals Manufacturing hubs in India. Those interested may contact Shri Saumak Mitra, Assistant Director, FICCI at Email: [saumak.mitra@ficci.com](mailto:saumak.mitra@ficci.com), Tel: +91 7042066977.
